Purpose

This document provides guidance for completing the FY 2019 Continuum of Care (CoC) Application for the FY 2019 CoC Program Competition. The FY 2019 CoC Application is one of three parts of the CoC Consolidated Application—the second part is the CoC Priority Listing, and the third is all the project applications submitted to the CoC which were reviewed, approved, and ranked or rejected in the local CoC competition for FY 2019 funding consideration by HUD.

The CoC Application and the CoC Priority Listing are separate submissions in *e-snaps*; therefore, Collaborative Applicants must ensure that both the CoC Application and the CoC Priority Listing, with all project applications either approved and ranked or rejected, are submitted in *e-snaps* prior to the application submission deadline.

Applications must be submitted to HUD for the FY 2019 Continuum of Care (CoC) Program Competition **by 8:00 p.m. eastern time, TBD.**

Reference Documents

HUD publishes resources to the HUD Exchange to assist Collaborative Applicants in completing the CoC Application. HUD strongly recommends that all applicants sign up for HUD listserv messages that inform CoC Program applicants about all program requirements. Collaborative Applicants should use the following documents, and any other CoC Application-related guidance HUD publishes to the HUD Exchange and notifies applicants about through listserv messages, as references while completing the CoC Application:

1. [Notice of Funding Availability \(NOFA\) for Fiscal Year \(FY\) 2019 Continuum of Care Program Competition](#)
2. [24 CFR part 578](#)
3. AHAR Submission Report on the HUD Exchange
4. CoC-PHA Crosswalk Report
5. CoC Application *e-snaps* Navigational Guide
6. [Optional Rating and Ranking Tool](#)

Key Points for Applicants

Collaborative Applicant should consider the following while completing the CoC Application:

1. Per 24 CFR 578.9, the Collaborative Applicant is responsible for compiling and submitting the CoC Consolidated Application for the FY 2019 CoC Program Competition on behalf of the CoC.
2. The Collaborative Applicant must obtain the CoC's approval as outlined in the CoC's policies and procedures in 24 CFR 578.9(b), prior to submitting the Consolidated Application.

Completing the CoC Application

Collaborative Applicants can submit the CoC Application with incomplete information that could affect the CoC Application score. If there is no response to questions on formlets, the following will display at the bottom:

Note: This formlet contains mandatory fields for which no value has been saved.

Importantly, it is the CoC-designated Collaborative Applicant's responsibility to ensure the CoC Application is complete, with up-to-date information. If an applicant appeals a CoC Application score for a CoC Application submitted with incomplete information, HUD is prohibited from considering, as part of the appeals process, supplemental information submitted after the FY 2019 CoC Competition application submission deadline.

Answering Multi-Part Narrative Questions

Several narrative responses require Collaborative Applicants to address multiple questions in a single text box. In these instances, HUD strongly encourages Collaborative Applicants to number responses to correspond with multi-part narrative questions by using the same numbers in the question. This will help Collaborative Applicants organize their responses to ensure they are complete and assist HUD in reviewing and scoring the responses.

Documentation Evidence—4B. Attachments Screen

1. Collaborative Applicants should **exercise care** to ensure that attachments being submitted match the questions for which they are being submitted. These Detailed Instructions include naming conventions for attached files.
2. The 4B. Attachments screen is organized by question, except for the FY 2019 CoC Competition Report, which includes information for several questions.
3. HUD is **not required** to search through all attachments Collaborative Applicants submit to determine whether attachments were inadvertently uploaded to wrong attachment (associated with specific question) in the 4B. Attachment Screen.
4. If Collaborative Applicants upload appropriate evidence under the **wrong attachment** in the **4B Attachment Screen**, and HUD does not give points for that evidence, this **is not** a valid reason to appeal HUD's funding determination.
5. Collaborative Applicants should only use ZIP files when absolutely necessary.

Public Posting Evidence—Attachments

Public posting attachments submitted in the **4B. Attachment Screen** as evidence the CoC met HUD-established deadlines for local CoC Competitions must have system-generated dates and times, which must be clear and legible (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time). As seen in the screenshot below, the bottom right-hand corner includes both time and date (8:59 AM – 5/23/2018). HUD recognizes that some websites automatically add dates and times of document postings, while others do not, and the screenshot below is not the only way to display system-generated date and time stamps.

Changes from FY 2018 CoC Application

The FY 2019 CoC Application has several changes from the FY 2018 Application including, but not limited to:

1. HUD removed several questions to streamline the application.
2. Unless otherwise noted in the question, the dates referred to as Fiscal Year (FY) are for the Federal Fiscal Year (October 1, 2018 to September 30, 2019).
3. CoC Mergers—CoC's should pay close attention to the FY 2018 CoC Program Competition NOFA Sections III.C.3.f., VII.B.3.b., and VII.B.7. for information on mergers and scoring. Merger bonus points are only available for CoCs that merged between the FY 2018 and FY 2019 CoC Program Registration processes.
4. CoC Bonus Projects—CoCs may apply for up to 5 percent of their Final Pro Rata Need (FPRN), or 25 percent of the CoC's Preliminary Pro Rata Need (PPRN) minus its Annual Renewal Demand (ARD). CoCs may apply for more than one CoC Bonus project provided the sum of the CoC Bonus project applications do not exceed the amount of CoC Bonus funds available for the CoC as listed on the Estimated ARD Report on the HUD Exchange and the CoCs demonstrate they made performance-based decisions (Section II.B.1. of the FY 2019 CoC Program Competition NOFA).
5. DV Bonus—HUD changed questions related to the DV Bonus for clarity. CoCs are still limited to one new project application for SSO-CE and may submit more than one DV Bonus project application for housing (PH-RRH and Joint TH and PH-RRH component) so long as the sum of the DV Bonus project applications do not exceed the amount of DV Bonus funds available for the CoC as listed on the Estimated ARD Report on the HUD Exchange.

6. Racial Disparities–HUD changed questions about CoCs assessment of their systems for racial disparity (See Section VII.B.6.n. of the FY 2019 CoC Program Competition NOFA.).
7. HUD added questions regarding employment with an attachment requirement (see Section VII.B.6.o. and p. of the FY 2019 CoC Program Competition NOFA.)

What Remained the Same for FY 2019 CoC Application?

1. Total points available 200.
2. HUD brought forward and prepopulated limited information from the FY 2018 CoC Application if the Collaborative Applicant, or HUD, imported the FY 2017 information during the FY 2018 CoC Program Registration process.
3. Several questions ask for the organization name or position title that is responsible for oversight for the objective stated in the question. Applicants should include the name of an organization or position title, not the name of the person who fills that position.
4. [Homelessness Data Exchange \(HDX\)](#) generated report-*FY 2019 CoC Competition Report* is available in HDX.
5. Collaborative Applicants are responsible for reviewing all prepopulated information to ensure it is up-to-date and accurate.
6. Collaborative Applicants are responsible for reviewing the completed application to ensure all responses being submitted are accurate and complete.
7. Collaborative Applicants should address all the elements in each question to ensure they are complete, and HUD recommends applicants number multi-part responses to correspond with the numbering in the question.
8. Collaborative Applicants must respond to each question separately, unless a response specifically indicates the Collaborative Applicant should reference another question. This means, when reviewing the responses for each question, HUD will not consider information provided in another question in the application unless instructions specifically reference that question. Information provided must be up-to-date and accurate.
9. All questions requiring a narrative response include the maximum number of characters available. HUD recommends Collaborative Applicants draft responses in a word processing program and use the character counter to ensure the response does not exceed the maximum number of characters. The draft response can then be copied and pasted into the application. However, if the character count of the copied information exceeds the character limit, only the portion of the information up to the character limit will appear in the narrative box.
10. Throughout the CoC Application, the responses should address the CoC's entire claimed geographic area, unless otherwise noted.

Required Attachments

The following charts lists required attachments, the question they correspond to, and the naming convention applicants should use.

HUD prefers attachments be uploaded as PDF files, but will accept the following: zip, xls, xlsx, tif, jpeg, pdf, img, rtf, pptx, ppt, txt, bmp, jpg, png, zipx, doc, docx, gif, tiff. The maximum attachment size is 5mb.

HUD will score the CoC Application questions based on actual responses in the project application(s).

The following chart serves as a reference for CoCs of the CoC Application questions that require information from the project application(s).

1A. Continuum of Care (CoC) Identification

The fields in Section 1A are read-only. The information is prepopulated based on the information entered in the CoC Applicant Profile. The Collaborative Applicant listed in this section must match the Collaborative Applicant that registered, or was registered by HUD, during the FY 2019 CoC Program Registration process. If this information is different, it must have been approved as outlined in Section I.F.1. of the FY 2019 CoC Program Competition NOFA.

Applicants cannot change the Collaborative Applicant name in the CoC Application. If the information in this section is not correct, or if the field is blank, contact the HUD Exchange *e-snaps* Ask-A-Question (AAQ) at www.hudexchange.info/get-assistance/

1C-3. Addressing the Safety Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.

Background—CoC’s should be able to provide individuals and families fleeing domestic violence access to housing and trauma-informed, victim-centered services that prioritize the survivor’s safety needs, accommodates their unique circumstances, and maximizes client choice.

Trauma-informed: Approaches delivered with an understanding of the vulnerabilities and experiences of trauma survivors, including the prevalence and physical, social, and emotional impact of trauma. A trauma-informed approach recognizes signs of trauma in staff, clients, and others, and responds by integrating knowledge about trauma into policies, procedures, practices, and settings. Trauma-informed approaches place priority on restoring the survivor’s feelings of safety, choice, and control. Programs, services, organizations, and communities can be trauma-informed.

Victim-centered: Placing the victim's priorities, needs, and interests at the center of the work with the victim; providing nonjudgmental assistance, with an emphasis on client self-determination, where appropriate, and assisting victims in making informed choices; ensuring that restoring victims’ feelings of safety and security are a priority and safeguarding against policies and practices that could inadvertently re-traumatize victims; ensuring that victims' rights, voices, and perspectives are incorporated when developing and implementing system- and community-based efforts that impact crime victims.

Guidance—Applicants should include in their responses how housing and services are made available from the CoC Program, ESG Program, Department of Justice (DOJ), and the Department of Health and Human Services (HHS) programs.

Instructions—Narrative 2,000 Character Limit

Applicants must describe:

1. the CoC’s protocols, including protocols for coordinated entry and the CoC’s emergency transfer plan, that prioritize safety and incorporate trauma-informed, victim-centered services; and

2. **Coordinated Entry staff** that addresses safety and best practices (e.g., Trauma Informed Care) on safety and planning protocols in serving survivors of domestic violence.

1C-3b. Domestic Violence–Community Need Data.

Background–The 2017 HMIS Data Standards Dictionary and Manual document requirements for programming and use of all HMIS systems and comparable database systems, effective October 1, 2017.

<https://files.hudexchange.info/resources/documents/HMIS-Data-Standards-Manual-2018.pdf>

Instructions–Narrative 2,000 Character Limit

Applicants must describe how the CoC uses de-identified aggregate data from a comparable database to assess the special needs related to domestic violence, dating violence, sexual assault, and stalking.

1C-4. PHAs within CoC. Attachment required.

Guidance–

- A. Though HUD provided the CoC PHA Crosswalk Report to help CoCs answer this question, it recognizes CoCs might have relationships with other PHAs within their geographic areas, and the CoC-PHA Crosswalk has known errors. Therefore, CoCs may rely on either local information or the HUD-PHA Crosswalk to answer this question.
- B. **HUD will not accept** website links or hyperlinks as a substitute for meeting the attachment requirement for this question.
- C. For the purposes of the CoC Application, HUD is defining **the following terms**:
 - General Preference**–Places all the members of a certain category (or categories) of household’s above other households on a list.
 - Limited Preference**–Often referred to as a “set-aside”, is a defined number of public housing units or Housing Choice Vouchers (HCV) made available on a priority basis to a certain type of applicant for housing assistance. This includes Project-Based Vouchers used to serve certain types of applicants.
 - Moving On Strategy**–How recipients move current CoC Program participants, who no longer require intensive services, from CoC Program funded-PSH beds to other housing assistance programs (including, but not limited to, Housing Choice Vouchers and Public Housing) in order to free up CoC Program funded-PSH beds to be used for persons experiencing homelessness.
- D. Applicants should provide the required information for the two largest PHAs, highlighted in gray on the CoC-PHA Crosswalk Report, **or** the two PHAs the CoC has a working relationship with. If the CoC has **less than two PHAs**, provide information about **all the PHAs** that are in the CoC’s geographic area.
- E. **Applicants must attach** a copy at the **4B. Attachments Screen** of an excerpt from the PHA(s) administrative planning document(s) or another document of the PHA(s) with the written policies, or a letter from the PHA(s) that addresses
 - (1) **homeless preference** and

- (2) **Moving On preference**—this may include the Administration Plan, Admissions and Continued Occupancy Policy (ACOP), annual 5-year plan.

Instructions—Complete the Chart

Applicants must:

1. enter the name of the PHA;
2. enter the percentage of new admissions to the Public Housing or Housing Choice Voucher (HCV) Programs in the PHA who were experiencing homelessness at the time of admission for Federal Fiscal Year 2018;

Example—A PHA had a 3 percent admission rate of people experiencing homelessness at the time of entry for its Public Housing Program and an admission rate of 8 percent of people experiencing homelessness at the time of admission. The CoC would enter the higher number, HCV admissions of 8 percent into the chart.

3. indicate whether the PHA has a homeless admission preference in its Public Housing and/or HCV Program; and
4. indicate whether the PHA has Moving On preference(s) in its Public Housing and/or HCV Program.

1C-4a. PHAs' Written Policies on Homeless Admission Preferences.

Instructions—Narrative 2,000 Characters

Applicants must:

1. provide the steps the CoC has taken, with the two largest PHAs within the CoC's geographic area or the two PHAs the CoC has working relationships with, to adopt a homeless admission preference—if the CoC only has one PHA within its geographic area, applicants may respond for one; or
2. state that the CoC does not work with the PHAs in its geographic area.

1C-4b. Moving On Strategy with Affordable Housing Providers.

Guidance—For the CoC Application, HUD defines Moving On strategy as how recipients move current CoC Program participants, who no longer require intensive services, from CoC Program funded-PSH beds to other housing assistance programs (including, but not limited to, HUD-funded Multi-family housing, Housing Choice Vouchers, and Public Housing) in order to free up CoC Program funded-PSH beds for use by persons experiencing homelessness.

Instructions—Select “Yes” or “No”

Applicants must indicate whether the CoC has a Moving On Strategy with affordable housing providers in its jurisdiction.

1C-5. Protecting Against Discrimination.

Guidance—Applicants should respond to this question and address the options selected in Question 1C-5a. below. HUD will review this question by comparing the response with the options selected in Question 1C-5a.

Instructions—Narrative 2,000 Character Limit

Applicants must describe the actions the CoC has taken to address all forms of discrimination, such as discrimination based on any protected classes under the Fair Housing Act and 24 CFR 5.105(a)(2)—Equal Access to HUD-Assisted or HUD-Insured Housing.

1C-5a. Anti-Discrimination Policy and Training.

Instructions—Select “Yes” or “No”

Applicants must indicate whether the CoC implemented an anti-discrimination policy and conduct training:

1. Did the CoC implement a CoC-wide anti-discrimination policy that applies to all projects regardless of funding source?
2. Did the CoC conduct annual CoC-wide training with providers on how to effectively address discrimination based on any protected class under the Fair Housing Act?
3. Did the CoC conduct annual training on how to effectively address discrimination based on any protected class under 24 CFR 5.105(a)(2)—Equal Access to HUD-Assisted or HUD-Insured Housing?

1C-6. Criminalization of Homelessness.

Background—Examples of laws and policies that criminalize include, but are not limited to, banning camping or sleeping in public; vagrancy, sitting, loitering, or begging in public places; evictions from homeless camps (homeless sweeps), restrictions on panhandling; and banning living in vehicles.

Guidance—If the CoC did not implement strategies to prevent the criminalization of homelessness, applicants must select 5.

Instructions—Select all that apply

Applicants must select all that apply that describe the strategies the CoC implemented to prevent the criminalization of homelessness in the CoC’s geographic area:

1. Engaged/educated local policymakers;
2. Engaged/educated law enforcement;
3. Engaged/educated local business leaders; and
4. Implemented communitywide plans; or
5. No strategies have been implemented.

1C-7. Centralized or Coordinated Assessment System.

Background—HUD issued [*CPD-17-01–Notice Establishing Additional Requirements for a Continuum of Care Centralized or Coordinated Assessment System*](#), which required CoCs to establish or update their coordinated entry process in accordance with the requirements of 24 CFR 578.7(a)(8) by January 23, 2019.

Guidance—**Attach** at the **4B. Attachments Screen** your CoC’s standard assessment tool.

Instructions—Narrative 2,000 Character Limit

Applicants must:

1. demonstrate the coordinated entry system covers the entire CoC geographic area;
2. demonstrate the coordinated entry system reaches people who are least likely to apply for homelessness assistance in the absence of special outreach; and
3. demonstrate the assessment process prioritizes people most in need of assistance and ensures they receive assistance in a timely manner.

1D. Continuum of Care (CoC) Discharge Planning

1D-1. Discharge Planning Coordination.

Background—The McKinney-Vento Act requires state and local governments to have policies and protocols in place that ensure persons discharged from a publicly-funded institution where they have resided for more than 90 days, are not discharged directly to the streets, emergency shelters or other homeless assistance programs.

Guidance—

- A. Applicants must only check the boxes for systems of care listed if the CoC **actively** interacts with them.
- B. Applicants must check None if they do not actively interact with any of the four systems listed.

Instructions—Check all that apply

Applicants must indicate whether the CoC **actively** coordinates with the systems of care listed to ensure persons who have resided in them longer than 90 days are not discharged directly to the streets, emergency shelters, or other homeless assistance programs.

1. Foster Care;
2. Health Care;
3. Mental Health Care; and
4. Correctional Facilities; or
5. None

1E. Local CoC Competition

CoCs must demonstrate the existence of a coordinated, inclusive, and outcome-oriented community process for the solicitation, objective review, ranking, and selection of project applications. This includes a process by which renewal projects are reviewed for performance and compliance with 24 CFR part 578.

1E-1. Local CoC Competition–Announcement, Established Deadline, Applicant Notifications. Attachments Required.

Instructions–Select “Yes,” “No,” or “Did not reject or reduce any project”

Guidance–

- A.** Applicants must attach **four** documents for this question on the **4B. Attachments Screen that includes** evidence using the following naming conventions:
- (1) Local Competition Public Announcement.
 - (2) Local Competition Deadline.
 - (3) Project Rejected/Reduced Notification.
 - (4) Projects Accepted Notification.
- B.** Examples of evidence include: website postings of local competition; individual notifications of project rankings; a single email notification demonstrating the list of recipients and the dollar amounts for which they were being recommended for funding; the final CoC Priority Listing that includes the New, Renewal, UFA Costs, if applicable, CoC Planning, and YHDP Renewal Project Listings posted publicly with email notification evidence that project applicants were notified of availability on the website.

Applicants must indicate whether the CoC:

1. informed project applicants in its local competition announcement about point values or other ranking criteria the CoC would use to rank projects on the CoC Project Listings for submission to HUD for the FY 2019 CoC Program Competition;
2. established a local competition deadline, and posted publicly, for project applications that was no later than 30 days before the FY 2019 CoC Program Competition Application submission deadline;
3. notified applicants that their project application(s) were being rejected or reduced, in writing along with the reason for the decision, outside of *e-snaps*, at least 15 days before the FY 2019 CoC Program Competition Application deadline; and
4. notified applicants that their applications were accepted and ranked on the CoC Priority Listing in writing, outside of *e-snaps*, at least 15 days before the FY 2019 CoC Program Competition Application deadline.

1E-2. Project Review and Ranking–Objective Criteria.

Guidance–

HUD developed system performance measures to assess the overall impact of each CoC’s homeless assistance efforts. The measures track the average length-of-time of homeless episodes, rates of return-to-homelessness, and other factors that determine whether a CoC is effectively serving persons experiencing homelessness. CoCs must use these measures and analyzing how they can improve their systems to achieve better performance.

CoCs are required to upload their FY 2019 CoC Competition Report from HDX, which includes system performance measures, in their CoC Application. HUD will verify that the data uploaded in the CoC Competition matches the most current HDX data.

Stafford Relief and Emergency Assistance Act that occurred in the 12 months prior to the application deadline for the CoC Consolidated Application for FY 2019 funds. See Section VI.1.A. of the FY 2019 CoC Program Competition NOFA for additional information.

Those CoCs in covered areas must notify HUD in writing prior to the close of this FY 2019 CoC Program Competition. Send written notification to CoCDisaster@hud.gov.

If applicants are unsure if there was a Presidentially-declared disaster in their CoCs' geographic areas, they can find official disaster information at www.fema.gov/disasters.
