Summit County CoC Landlord Mitigation Program

Landlord Registration of Interest Form

The SCCoC Landlord Mitigation Fund provides a protection to landlords that are willing to house eligible tenants who receive rental assistance or rental subsidy from any CoC funded service provider. Eligible tenants must agree to receive on-going housing case management by the service provider for the duration of being a fund participant. The service provider must agree to provide up to two years of housing case management. Landlords who house eligible tenants will be compensated through the Summit County Continuum of Care (SCCoC) Additional information and the full program policy can be found on SCCoC's webpage.

By signing this Registration of Interest, a landlord notifies the SCCoC of their interest in participating in the program. The SCCoC will maintain an internal list of registered landlords to help clients find housing. This list will not be released on any public websites. The landlord still maintains the right to conduct screening on the applicant.

Completing this form does not obligate the landlord to house any certain individual.
